

SPORT SELECTION at SAN CLEMENTE HIGH SCHOOL

Dear Parents, Guardians and Students,

Following is the method for selecting a sport each term. Before selection, the SELECTION LIST is placed on the website and around the school. This gives students time to discuss sports with parents and to plan with friends.

- Selection is made online on MOODLE. A link is sent to everyone on email.
- Usually in week 7 or 8.
- **SIX DIFFERENT CHOICES** are to be made –clearly stated – reminder on morning notices. However, some students still think that they may repeat one choice. If this happens, Mrs Daly will choose their sport.
- STUDENTS SHOULD NOT PRESUME THAT THEY WILL GET THEIR FIRST CHOICE. MOST DO, BUT WITH THE NEW, VERY POPULAR “**Revolution Trampoline**”, **ONLY A SET NUMBER MAY GO.**
- **STUDENTS ARE REMINDED EACH DAY TO COMPLETE SELECTION in morning notices and over the LOUDSPEAKER.**
- The Library, the Feldt Centre and B2 become available to do selection.
- There is a section where students may make a friendship code to show that they’d like to be together, HOWEVER, this is impossible UNLESS the group **SELECTS THE SAME SPORTS.**
- Rep sports take place in terms 1,2 and 3. Any student may select to trial.
- Students in Yr 7 do not select sport, HOWEVER, they may make a selection to trial for a representative sport – they are told in morning notices.
- If going on holidays, students are to see Mrs Daly before they depart.

Working on the sport rolls takes many hours. Therefore, please note the following :

Students who do not select, will be placed on detention to work on literacy and numeracy in week 1.

They will then form the ENVIRONMENTAL TEAM = CLEAN THE SHOOOL/ GARDENS / CLASSROOM ENVIRONMENT.
