

## Garden Fete at Mayfield.

A very successful garden fete was opened at the Dominican Convent, Mayfield, in aid of the school funds, this afternoon. The opening was declared by the Mayoress of Waratah (Mrs. Miller), and was supported by Mr. Julian Windeyer, whose residence the school formerly was, and he congratulated the nuns on having already an enrolment of 70 pupils, although the school has been open only three weeks. The Mayoress was presented with a bouquet and a gift of fancy-work by little Misses Dorothy Crothers and Bessie M'Gregor, and Father O'Laverty, of Lambton, expressed the thanks of the Convent community for the presence of the Mayoress and Mrs. Windeyer, and the patronage accorded the fete.

There was a very large attendance, and several stalls were conducted by Mesdames Hogan, M'Gregor, Crothers, and Higgins, and Miss Crockett, each of whom had a large number of assistants. The Steel Works Band rendered a programme during the afternoon.

The fete will be continued to-night.
